Om, may all be happy. May all be free from illness,
May all see what is auspicious, may no one suffer.

Profile of Swastikam

Mission

“ Our mission is to be able to create an equitable society, sustainable communities, where each member is aware of one's own responsibility and contributions towards a greater good and a better and brighter tomorrow. ”

Vision

We envision a society where each generation passes on the baton of doing well. Where coming generation live more responsibly and do not just think about the present, but also leave the world a little better then it was, be it in terms of resources or moral compass.

History

The need to bring about positive transformation, strengthening communities, thus making the society more sustainable, in every way, is the aim with which Swastikam was established in 2003. Since our inception, we have been able to create desirable impact. Our focus areas have been social development, economic empowerment – especially of women, healthcare, education, poverty alleviation (both economic and humanitarian approach) and environment.

Our social programmes have been well-received in states of North-East, especially Assam, and Bihar. We are striving to bring about a sustained and silent revolution in the lives of those who are in dire need.
